JENNINGS STROUSS RANKED AMONG "TOP COMPANIES TO WORK FOR IN ARIZONA" FOR 2021 FOR THE 5TH CONSECUTIVE YEAR

Phoenix, AZ (July 6, 2021) - Jennings, Strouss & Salmon, P.L.C., a leading Phoenix-based law firm, is pleased to announce that the Firm has ranked among the BestCompaniesAZ "Top Companies to Work for in Arizona" for the fifth consecutive year in the medium-sized company category of 100-999 employees.

This year, Arizona Capitol Times and BrightTower Media partnered with Best Companies Group (BCG) to produce the ninth annual BestCompaniesAZ "Top Companies to Work for in Arizona" program to measure employee engagement. The methodology for selecting the top companies included a confidential Employee Engagement and Satisfaction Survey that evaluated company culture and individual employee workplace experiences. An Employer Questionnaire was also used to collect information about company benefits, policies, practices, and other general information. The combined data was analyzed by Best Companies Group to determine the final list of the top 100 companies based on each company's strengths and challenges.

"We are very proud to be included in this list of Arizona's leading workplaces," stated John C. Norling, Managing Attorney. "This ranking is dedicated to our incredible personnel that make Jennings Strouss an amazing place to work and thrive."
