WHT NAMED TO 17TH ANNUAL BEST PLACES TO WORK IN KENTUCKY LIST

Ward
Hocker
Thornton

Ward, Hocker & Thornton has been named to the 17th Annual Best Places to Work in Kentucky list. Every year the Kentucky Chamber of Commerce and the Kentucky Society for Human Resource Management select the Best Places to Work winners in three separate categories. This is the sixth straight year that WHT has been included in the small companies category, having 15-149 employees.

The Best Places to Work competition is a multi-year initiative designed to motivate companies in the Commonwealth to focus, measure and move their workplace environments toward

excellence. Numerous studies show a strong correlation between profitability and creating a good place to work. The selection process is based on an assessment of each company's employee policies and procedures and the results of an internal employee survey.
