

# MINNESOTA DEFENSE VERDICT TRAUMATIC BRAIN INJURY

stich  angell

Attorney Garth Unke and his team at Stich, Angell, Kreidler & Unke, PA obtained a defense verdict for their client in a 13-day traumatic brain injury trial. Unke successfully defended his client against a \$26,000,000 (26 Million dollars!) claim, and secured a \$0.00 verdict in damages. Unke's client was one of 2 target defendants.

Plaintiff, a young attorney from a prestigious law firm, claimed permanent disability and an inability to work for the 6 years after the incident. Plaintiff's experts calculated wage loss and loss of future earning capacity at \$10.6 million, and calculated past and future medical expenses of more than \$1.7 million. Also, Plaintiff claimed past and future pain, suffering, and disability of more than \$13 million. In total, the Plaintiff demanded the jury award her \$26 million.

Unke and his team presented a clear and concise argument to the jury that their client was not negligent. The jury found 0% liability for the client of Stich, Angell, Kreidler & Unke, P.A. Additionally, the co-defendant asked the jury

to allocate 50% liability to Unke's client, for which the jury responded: \$625,000 to be paid by the co-defendant to the Plaintiff.

Stich, Angell, Kreidler & Unke, P.A. is the exclusive member of The Gavel - your claims defense network® for the entire State of Minnesota. Unke will co-present a session about traumatic brain injury during The Gavel National Conference in January 2022 at PGA National Golf Resort & Spa in Palm Beach, Florida.
