DEFENSE AWARD

**FORSBERG
& UMLAUF, P.S.**
LITIGATION DEFENSE

Chantal Peters obtained a defense award for our clients, a trucking company and its employee driver, in the arbitration of a disputed liability automobile accident case. The Plaintiff alleged that our client's actions while driving a semi-truck led to a multi-vehicle collision. Plaintiff claimed injuries because of the accident. At arbitration, Chantal established that our client did not proximately cause the accident. The arbitrator entered a defense award.
