P.L.L.C.

Equity Member Charles R. Bailey and Of Counsel Josef A. Horter, along with counsel from Foley & Lardner, LLP of Houston Texas, obtained a verdict in favor of their clients BB Land LLC and JB Exploration I, LLC against Blackrock LLC after a two week jury trial in the Circuit Court of Pleasants County, West Virginia in the Business Court Division.

The parties to this suit were investors and developers in oil and gas leases and development of production of oil and gas in Pleasants County. The jury found that Blackrock, LLC first breached the agreement between the parties in a bifurcated jury trial. A hearing to determine damages will be scheduled later this year.
