

WEST VIRGINIA COMPLETE DISMISSAL WEST VIRGINIA BOARD OF PHARMACY

Bailey & Wyant PLLC's Managing Member, Charles R. Bailey, Equity Member, Justin C. Taylor and Member, Michael W. Taylor, secured a complete dismissal with prejudice for the West Virginia Board of Pharmacy with respect to ten plaintiffs in the opioid litigation. The ten plaintiffs, all counties, cities, and/or towns in West Virginia, brought lawsuits against the Board of Pharmacy asserting negligence, violations of statute, and wrongdoing that led to the opioid epidemic.

The cases were removed to the Federal Multidistrict Litigation Panel in the Northern District of Ohio. These dismissals follow several other dismissals in the opioid litigation that Bailey & Wyant has secured for the Board of Pharmacy.
