

WEST VIRGINIA FAVORABLE RULING FROM THE UNITED STATES COURTS OF APPEALS

Bailey & Wyant, PLLC's Equity Member John P. Fuller and Member Suleiman Oko-ogua received a favorable ruling from the United States Court of Appeals for the 4th Circuit. Bailey & Wyant, P.L.L.C. successfully moved for Summary Judgment at the District Court on behalf of a Correctional Officer that had deployed OC spray in an effort to gain control of an Inmate.

The District Court found that the use of OC spray did not violate the Inmate's federally protected Constitutional Rights. The 4th Circuit Affirmed the grant of Summary Judgment.
