WHAT DO INDUSTRY PROFESSIONALS SAY ABOUT THE GAVEL?

"I attended the conference through The Gavel Scholarship Program and earned 11 CE and 7 CLE credits, *and I actually learned,*" Risk Manager after The Gavel Inaugural Conference.

"Vetted attorneys were very accessible throughout the conference." Senior Claims Analyst

I enjoyed the smaller workshops because we had... [...meaningful] Q&As with the instructors." VP Claims at The Gavel Inaugural Conference

"Listening to board certified attorneys was interesting and informative." Claims Director

"1 territory – 1 law firm! Noncompetitive environment for lawyers encouraged interaction." VP Claims of a national insurer

The Gavel provides value that is different from other groups and organizations:

- Saves your time with a 1-stop portal to everything we know you need to manage your claims;
- No fees or obligations for use of the network by claims and risk professionals;
- A non-competitive environment to focus on the quality of relationships – The Gavel allows only 1 law firm per territory so its members do not contend for assignments;
- Complimentary attendance at educational (and interesting, relevant, and fun!) CE/CLE-credited conferences, events, and forums; and,
- *Most importantly:* meaningful opportunities for you to have a voice about the culture of the industry and improvements for the claims defense process.

Tier 2: Completed a comprehensive application, including additional industry references;

Tier 3: Satisfied 9 proprietary, critical-criteria to prove they will deliver economized results.
